Forecast for Sunday 29 Aug 2021

Weather: Continuing dry and settled through Sunday. Again, early mist and fog patches are likely to develop before lifting and clearing by mid-morning. Some good sunny spells likely especially in the afternoon, with strong sunshine once again. Low cloud is likely to move into eastern areas during the evening.

Maximum wind: Northeasterly 15mph, gusting 25mph.

Chance of cloud free mountain/hill tops above 600m: 60% becoming 100% by mid-morning, then 40% in the east during the evening.

Visibility: Generally good, with clear views of distant ranges. Briefly poor or very poor during the early hours in any mist or fog patches, and in the early morning as these lift into low cloud, with nearby landmarks temporarily obscured. Becoming very poor at times during the evening in eastern areas with cloud bases 500-600m.

Temperature: **Valleys:** Plus 6C becoming plus 17C
At 600m: Plus 8C becoming plus 13C
Freezing level: Well above the hilltops
